Please contact the Center for Orientation, Transitions & Leadership to discuss options.

FIRST DAY IN FRIARTOWN

During our virtual programming this June, new students will learn more about campus resources, academic, spiritual, and student life, and begin building connections with peers and members of the PC community. FALL ORIENTATION

AUGUST & SEPTEMBER 2021

In late August, new students (not already partaking in special pre-orientation programming) will arrive for move-in and our Fall Orientation program. During this program, they will have the opportunity to experience life on campus by participating in workshops, tours, and social programs with faculty, staff, and student leaders.

Program highlights include:

- The annual Mass of Welcome for new students and families.
- Workshops focused on self-care, substance abuse and sexual assault prevention, cultural agility, understanding personal strengths, and preparing new students for the Development of Western Civilization course.

- Large and small group activities with classmates and members of the Orientation and Resident Assistant Team.
- Evening and daytime social programming, including athletic events and the Fall Involvement Festival.

At the time of this mailing, we are planning for in-person programming this August. Evolving information regarding COVID-19 may modify these plans. Please refer to our website for any updates this summer, and note that Fall Orientation activities are a mandatory experience for ALL new students — resident and commuter.

DATES UNDETERMINED AT TIME OF PRINTING. FOR MORE INFORMATION ABOUT FALL ORIENTATION, PLEASE VISIT [PROVIDENCE.EDU/ORIENTATION](https://providence.edu/orientation).

FAQ | FALL ORIENTATION

WHEN WILL WE FIND OUT ABOUT ROOMMATES AND HOUSING ASSIGNMENTS?

Resident students should watch their PC email for details the first week of August regarding fall housing and move-in plans.

ARE OVERNIGHT ACCOMMODATIONS PROVIDED DURING FALL ORIENTATION FOR NEW STUDENTS AND FAMILIES?

Students living on campus will move into their residence halls at the start of Fall Orientation or their pre-orientation program. Commuter students can plan to stay at their home residences during Fall Orientation. Any parents/families requiring hotel accommodations in the downtown area around Move-In Day should visit providence.edu/orientation for several reasonably priced options.

FAQ

HOW MUCH DOES ORIENTATION COST?

All costs associated with our 2021 orientation programming are covered by a new student's enrollment deposit to the College.

HOW WILL I REGISTER FOR FALL CLASSES?

Fall course schedules will be built in advance for new students, based on selected major, placement exam, and interest survey results. In July, students will have an opportunity to connect with an academic department representative or undeclared advisor to discuss course adjustments if needed. Watch your PC email for more information.

HOW DO I LEARN ABOUT MY MAJOR AND CORE REQUIREMENTS?

Students will learn basics about the core curriculum and their specific course of study from academic department representatives and orientation leaders during our virtual events in June. Additional information regarding both the core curriculum and major requirements is available in the online undergraduate catalog.

WHEN WILL I MEET MY ACADEMIC ADVISOR?

Some students will connect with their academic advisor during our virtual programming this summer; other students will meet their assigned advisor when they arrive on campus for the academic year. If students require assistance with any academic concerns during the summer and are unsure of their assigned advisor, they may contact the faculty chair from their academic department or the Undeclared Advising Program.

HOW DO I MAKE CHANGES TO MY FALL CLASS SCHEDULE?

Schedule adjustments may be made after the First Day in Friartown program. If an academic department representative or undeclared advisor is unable to provide more information on the schedule adjustment process at that time, please contact your faculty department chair or the Undeclared Advising Program directly.

HOW DO I ACCESS MY PC EMAIL?

An encrypted message has been sent to the email address you used to apply to PC with that information and much more. Search "Registrar" or "Arruda" in your inbox, and check your spam or junk folder, too.

WHAT IF I WANT TO CHANGE MY MAJOR AFTER THE FIRST DAY IN FRIARTOWN PROGRAM?

PLEASE VISIT THE REGISTRAR'S WEB PAGE AT [REGISTRAR.PROVIDENCE.EDU/STUDENTS/FIRST-YEAR-STUDENT/](https://registrar.providence.edu/students/first-year-student/) FOR NEXT STEPS.

YOUR PC CARD

SUBMIT YOUR PHOTO ONLINE **BY AUG. 20**, OR ONE WEEKDAY PRIOR TO ARRIVAL FOR PRE-ORIENTATION PROGRAMS

Your Providence College identification card, the PC Card, is much more than a simple photo ID. It is also your meal card, library card, and bus pass. It provides access to your residence hall and the Concannon Fitness Center. It is also a safe and convenient way to make purchases on and off campus.

All new students must submit a photo online for their PC Card.

Please refer to the encrypted login credential message you received at the email address you used to apply to Providence College. Then visit **providence.edu/pccard** to log in, view instructions, and upload your PC Card photo.

In order to pick up your PC Card on Move-In Day, you will need to bring government-issued photo identification (state driver's license or passport) with you.

HEALTH INSURANCE COVERAGE

STUDENTS MUST WAIVE OR ENROLL IN THE COLLEGE'S
HEALTH INSURANCE PLAN **BY JULY 1**

To ensure that students have access to comprehensive coverage, Providence College offers a Student Health Insurance Plan administered by University Health Plans.

Students must have health insurance coverage throughout their years on campus. They may waive enrollment in the College's plan if covered by a comparable health insurance plan that provides comprehensive coverage in Rhode Island.

The coverage period for the 2021-2022 academic year is Sept. 1, 2021 - Aug. 31, 2022. **A letter will be mailed to your home address in early June with the specific details**

on how to waive or enroll. Please note that international students may not waive the College's student health insurance plan.

After July 1, students who have not completed a form will automatically be enrolled in the insurance plan, and the associated fee will be added onto the students' fall tuition bill. A new waiver/enrollment form must be completed by students

each subsequent academic year. Please note that providing insurance information in a new student's immunization and health record form does not take the place of completing a waiver/enrollment form.

FOR QUESTIONS, PLEASE CONTACT
THE OFFICE OF THE BURSAR AT
401.865.2284 OR [BURSAR@
PROVIDENCE.EDU](mailto:BURSAR@PROVIDENCE.EDU).

STUDENT HEALTH

Providence College is required by law to keep certain medical information on file for all full-time students. An immunization and health record form — available at providence.edu/health-record — must be printed, completed, and returned no later than **July 16**.

This report will become part of your confidential medical record and is critical to your care. Please fill it out accurately and completely. Unreturned or incomplete health forms may mean registration delays or disciplinary action.

Prior to College entrance, all students are required to have a current physical exam (dated after March 1, 2020). In addition, you must provide proof of all immunizations (month, day, and year) listed on the health form and answer the tuberculosis screening questions, as required by the Rhode Island

Department of Health (RIDOH). Electronic medical records are acceptable.

College students, depending on living conditions and habits, may be at increased risk of developing meningitis. Providence College, along with the Centers for Disease Control, RIDOH, and the American College Health Association, strongly encourages you to discuss this information with your health care provider and record the required proof of immunization for the meningococcal vaccine on your health record form.

If at any time there is a change in your health status, allergies, home address, phone number, or insurance coverage, it is your responsibility to update the Student Health Center.

FOR QUESTIONS, PLEASE VISIT [PROVIDENCE.EDU/HEALTH-CENTER](https://providence.edu/health-center) OR EMAIL CATHERINE KELLEHER, DIRECTOR OF STUDENT HEALTH, AT CKELLEHE@PROVIDENCE.EDU. THE STUDENT HEALTH CENTER CLOSES DURING THE SUMMER MONTHS; HOWEVER, YOU SHOULD RECEIVE A RESPONSE TO ANY EMAIL WITHIN THREE BUSINESS DAYS.

ONLINE ORIENTATION

ALL NEW STUDENTS ARE REQUIRED TO COMPLETE THE FOLLOWING ONLINE COMPONENTS **BY AUG. 16**

ACADEMIC INTEGRITY TUTORIAL

The Office of the Dean of Undergraduate and Graduate Studies has the responsibility for the academic monitoring and general advising of students from all disciplines. As part of this role, the office works to help students understand how they can approach their studies with academic integrity and avoid charges of academic misconduct. With this in mind, an online tutorial has been created, compiling important information to help students avoid making mistakes in their academic work which would impede their academic progress.

CLIFTONSTRENGTHS® FOR STUDENTS

This online assessment — and follow-up workshops — will help new students learn more about their unique strengths and how best to utilize them in college and in future careers. After completing *Clifton-Strengths*, students should print or email themselves a copy of their individual “Insight Report” to bring back to campus in late August.

ONLINE EDUCATION PROGRAMS: ALCOHOL ABUSE, SEXUAL ASSAULT PREVENTION, AND DIVERSITY & INCLUSION

At PC, we are dedicated to setting students up for success as members of the

community here and beyond. As such, new students are expected to complete three online modules to help them make thoughtful and healthy choices outside the classroom; reflect on their knowledge, attitudes, and experiences related to these issues; and support their peers and themselves when faced with tough situations.

KOGNITO

At Providence College, we want to make sure that we can all recognize signs of distress and know what to say if someone needs help. *Kognito’s* “At-Risk for Students” is an online simulation that lets you practice conversations with a

virtual student, so you will know what to say in real life. Participants will learn how to determine when a friend needs help, how to talk with a friend they are worried about, and where they and their friend can turn for help.

FOR MORE INFORMATION AND ACCESS TO THESE ONLINE REQUIREMENTS, PLEASE VISIT [PROVIDENCE.EDU/ORIENTATION](https://www.providence.edu/orientation).

FERPA AND STUDENT EDUCATIONAL RECORDS

The privacy of personally identifiable information in student educational records is governed by the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended.

With some exceptions, generally, FERPA provides enrolled college students with the following rights: to consent to disclosure of information in their educational records, to inspect and review their educational records, to request that inaccurate information be corrected, and to file a complaint with the federal government stating that a FERPA-protected right has been violated. One exception to the consent requirement addresses health or safety emergencies that require the release of personally identifiable information.

Students may authorize the College to release confidential educational information to parents/guardians or others by completing and e-signing a Release of Information Authorization Form. This form is available at providence.edu/orientation. Incoming students may submit this form online by **July 1**.

FOR ADDITIONAL INFORMATION, PLEASE REVIEW THE COLLEGE'S GUIDELINES AT REGISTRAR.PROVIDENCE.EDU/POLICIES/FERPA-GUIDELINES/ OR CONTACT THE OFFICE OF THE REGISTRAR AT 401.865.1033 OR RECORDS@PROVIDENCE.EDU.

CYBERFRIAR PROXY ACCESS

CyberFriar Proxy Access allows students the ability to grant access to mid-term/final grades and financial information to parents/guardians.

SETTING UP YOUR PROXY ACCESS

You may add as many parents/guardians as you wish, are able to control the start and stop dates of access, and may rescind these decisions at any time. If your parent/guardian forgets their PIN, you also have the ability to reset it. Please note that access granted to this information does not supersede FERPA authorization by the student. If your parent/guardian is in need of further information other than what you have granted through Proxy Access, a FERPA form must be on file with the Office of the Registrar.

- 1 USING CREDENTIALS PROVIDED IN THE ENCRYPTED EMAIL YOU RECEIVED, LOG INTO CYBERFRIAR.
- 2 CLICK ON PROXY ACCESS, THEN CLICK ON 'PROXY MANAGEMENT'.
- 3 CLICK ON 'ADD PROXY'.
- 4 ENTER THE FIRST NAME, LAST NAME, AND EMAIL ADDRESS OF THE PERSON YOU WOULD LIKE TO GRANT ACCESS, AND THEN CLICK ON 'ADD PROXY'.

- 7 CLICK ON THE 'AUTHORIZATION' TAB TO SELECT THE PAGES IN CYBERFRIAR TO WHICH YOU WOULD LIKE TO GRANT ACCESS.

TUITION BILLING

Providence College uses an electronic billing and payment system.

To ensure that you receive billing information in a timely manner, it is very important that everything is set up correctly.

Tuition bills for the academic year are generated electronically and sent to each student's Friars email address. Students are automatically enrolled and can also authorize other users (including parents/guardians) to view and pay the bill. Once a student sets up an authorized user, e-bill notifications will be sent to both the student and authorized users' email addresses.

Authorized users may view a student's balance or invoice, and make an e-payment. To pay by check, simply print the invoice, tear off the top section, and return it with payment to the address indicated on the e-bill. Remember to include the student's Banner ID number on the check.

TO ACCESS THEIR E-BILL, STUDENTS NEED TO

- 1 LOG INTO CYBERFRIAR.
- 2 CLICK ON 'STUDENT SERVICES.'
- 3 CLICK ON 'BURSAR'S OFFICE.'

TO SETUP AN ACCOUNT FOR AN AUTHORIZED USER, STUDENTS NEED TO

- 1 LOG INTO CYBERFRIAR.
- 2 CLICK ON 'STUDENT SERVICES.'

- 4 CLICK ON 'MY ACCOUNT,' THEN SCROLL DOWN AND SELECT 'SEND A PAYER INVITATION.'

ADDITIONAL INFORMATION REGARDING E-BILLING AND E-PAYMENT CAN BE FOUND AT [BURSAR.PROVIDENCE.EDU/UNDERGRADUATE-STUDENTS](https://bursar.providence.edu/undergraduate-students).

PARENT & FAMILY PROGRAM

Providence College offers many helpful services and resources, including a program just for parents and families, because we know that family support is an integral part of a student's success. The more information they have, the better able parents and families will be to support their students throughout the college years.

The main goals of the Parent & Family Program are to enhance families' understanding of the college experience and to promote student growth and development. Resources include a handbook, newsletters, blog, and a "Language Bank" to assist non-English-speaking families. We also provide links to campus departments, college events, and emergency services on our website.

FOR MORE INFORMATION, PLEASE VISIT [PARENTS.PROVIDENCE.EDU](https://parents.providence.edu).

PRE-ORIENTATION PROGRAMS

DATES UNDETERMINED AT TIME OF PRINTING; FOR MORE INFORMATION OR TO REGISTER, VISIT [PROVIDENCE.EDU/ORIENTATION](https://providence.edu/orientation)

There are a number of unique opportunities available for new students looking to connect with classmates and their community, start the academic year off on the right foot, grow as individuals — and have some fun in the process.

INTERNATIONAL STUDENT WELCOME PROGRAM

The International Student Welcome Program aims to help incoming international students adjust to life on campus and in the United States. This program is mandatory for all students on Providence College-sponsored F-1 and J-1 visas, and is open to U.S. citizens who have spent the majority of their lives abroad.

TRANSITIONS

Transitions is an opportunity for students of color and first-generation students to preview the campus, network with key faculty and staff members, and meet your fellow classmates. First-year students also will be paired with current PC students, who will serve as Dream Coaches, to help ease their transition to college life.

FAITHWORKS

FaithWorks is a service immersion program through which new students have the opportunity to learn about Providence and the surrounding area through the lens of Jesus' call to care for those in need. Participants will serve and learn about a variety of populations and social issues, including homelessness, elderly care, poverty, immigration, and education. They will also gain the opportunity to serve alongside and get to know student coordinators and peers from the Class of 2025.

URBAN ACTION

Urban Action is a service-learning program designed for incoming students to increase their understanding of urban issues while also introducing them to the campus and city they will now call home. Participants will spend time volunteering at local sites and one day on campus helping fellow classmates move in.

FALL TRANSITION PROGRAMS

CONNECTIONS RETREAT (SEPT. 10-12)

The Connections Retreat invites all first-year students for a weekend off campus to build friendships, faith, and relationships with 30 student leaders who can provide guidance about life at PC. Participants will take a break from the busyness of the first few weeks of college, meet around 100 of their peers from the Class of 2025, reflect on the role of God in their college experience, and enjoy time at the beautiful Toah Nipi retreat center in Rindge, NH. Kayak around the lake, pray, enjoy Olympic game competitions, and more.

Don't miss out on this weekend that many say is their favorite of their first year! Online registration will open in June.

HORIZONS PROGRAM

Horizons is a student-led organization designed for multicultural students of color to build relationships with peers, experience intentional intercultural interaction, and create a network of support on campus. Programming includes an overnight fall retreat and a yearlong mentorship program led by upperclass students.

1G PEER MENTORING PROGRAM

The 1G Peer Mentoring Program supports first-generation students in their ongoing pursuit of higher education. Participants take part in activities throughout their first year and stay in close contact with their mentoring "family" of peers across years to solidify an enhanced support network on campus. Online registration will open on Aug. 1.

PLEASE NOTE

At the time of this mailing, we are planning that Pre-Orientation and Fall Transition programs will take place as described. Evolving information regarding COVID-19 may modify these plans. Please refer to our website for any updates this summer.
